

SRI LANKA: HAND SANITISER PROJECT

Thanks to your generous donations Good Neighbors Australia in partnership with Good Neighbors Sri Lanka handed the Provincial Director of Education in Western Province, Sri Lanka, over **15,800** hand sanitisers. This helped with prevention of Covid-19 in the province.

PROJECT INFORMATION

WHY SRI LANKA?

Sri Lanka has been severely affected by the COVID-19 pandemic. At the time of the project, the schools had remained closed for 18 months. There remains an urgent need to provide health and safety measures in school to create a safe environment for students and teachers.

WHO Will RECEIVE THEM?

Schools in the Western Province of Sri Lanka.

PRIORITY GROUPS

Disadvantaged children, teachers and school staff.

THANK YOU TO OUR GENEROUS DONORS FOR YOUR CONTRIBUTION!

YOUR DONATIONS WILL HELP

Disadvantaged children, teachers and school staff in the Western Province of Sri Lanka.

"In the context of Covid 19 spreading at alarming rate, schools are remained closed... When the schools reopens, children need to practice preventive measures for their safety. Thanks to the help and support of Good Neighbors Australia and SINI Australia PTY LTD, school children and staff can sanitise their hands on the go and keep themselves safe as well as help prevent the spread of the virus.
